St. Rita Catholic School

St. Rita Catholic School was established in September 1954 as a parish school staffed by the Felician Franciscan Sisters. Initially, St. Rita housed seven grades in four classrooms. The growing enrollment resulted in an additional four rooms and a library constructed in 1966/67. In 1995 the Early Childhood wing was established to meet the needs of preschool children, grades PK 3 and PK 4. Currently, St. Rita Catholic School services children in grades PK 3 – 8th grade.

St. Rita Catholic School is part of the Catholic School System of the Diocese of Fort Worth. St. Rita is accredited by the Texas Catholic Conference Education Department (TCCBED). It holds membership in the National Catholic Education Association (NCEA).

Patron Saint: Saint Rita

Saint Rita of Cascia is the patron saint for St. Rita Catholic School. Rita was born in 1381 at Roccaporena near Cascia, Italy. When quite young she felt the call to enter religious life, but at the age of fourteen she was promised in marriage by her parents to a young man of good will but rather restless by nature. Through her own goodness Rita was able to smooth over the rougher side of her husband's character, and they lived in harmony for about eighteen years. He was then murdered. Rita not only forgave his killers, but she also prayed to God that she would prefer the death of her sons rather than see them avenge the crime.

As it happened, both sons died shortly after their father. Now totally alone, but filled with love, Rita thought of fulfilling the longings of her youth by seeking admission into religious life. Having overcome formidable difficulties, she was received by the Augustinian Nuns in Cascia. Here she lived for her remaining forty years of life. Throughout the final fifteen years she bore the mark of a thorn of Christ's passion. Rita died on May 22, 1456, which is observed as her feast day. She was noteworthy in that she experienced all the possible states of life and overcame the difficulties of each with a generous love and a profound spirit of penance, while always being a peacemaker and a helper of divisions. Her incorrupt body is preserved in Cascia in the shrine which bears her name.

- the curriculum must be taught so that it provides the skills and concepts needed by the students to be successful at all grade levels and to form life-long learners.

St. Rita Catholic School's Goals

St. Rita School's goals as a Catholic school are:

- to assist the family in the religious and formal education of their children.
- to teach students to make good choices and to be responsible for their actions.
- to provide students the foundation needed to successfully continue their education.
- to develop students into good stewards in their faith, neighborhood, and global communities.
- to form students who can succeed in a culturally diverse world.

Student Withdrawals/Transfers

When a student is transferring to another school, parents must notify the principal and the homeroom teacher at least one week in advance of the transfer. All textbooks, library books, and other school property must be returned to the teacher. Transcripts and other school records will be released only after all financial obligations have been met and all textbooks and library books have been returned. If a student withdraws during the school year, tuition and fees will not be refunded.

Academic Regulations

Curriculum and Textbooks The formal curriculum for St. Rita Catholic School is provided by the Diocesan office of Ft. Worth and guides all instruction in all grades and subjects. Textbooks are selected from the State of Texas adopted textbook list. A variety of supplementary materials in addition to basic textbooks is used to enrich and expand the curriculum.

Textbooks are distributed to students at the beginning of the school year. Students will be fined for damages beyond the normal wear or be asked to pay full replacement cost for books lost.

Class Assignments It is the student's responsibility to keep up with class assignments.

- Students with excused absences will make up any work missed.
- Any student entering the school later in the day will make up work missed.
- Students absent on the day of a test will be expected to take the test the first day of returning to school.
- Students will be given an allowance of one class day for each day the student was absent to make up assigned work.
- On the day of an absence, class work/homework requests need to be called into the office by 9 A.M. to allow sufficient time for teachers to prepare. If a call is not made to the office by 9 A.M., the student will get the work from the teacher the following day or upon returning to school.

It is the purpose of these guidelines to promote responsibility in our students.

Classwork Classwork is to be completed in class on the day it is assigned. If a student does not complete the assignment, the teacher may allow it to be completed at home. Failure to turn it in the following day will result in a zero.

Homework The purpose of homework is to help students develop good study habits, foster positive attitudes toward school, and to communicate to students the idea that learning takes place at home as well as at school. Homework will reinforce skills and concepts taught in class. Student planners are utilized in grades 1-8. Parents should ensure that students complete all homework assignments. Teachers will communicate homework policies with students and parents at the beginning of the year. Students who fail to complete homework on a regular basis will require a parent conference and an intervention plan.

Grading Grades are based on a combination of some or all of the following: daily work, class participation, homework, tests, extra work, notebooks, oral reports, neatness, promptness in work, and initiative.

Numerical grades are given on student report cards for all major subjects (religion, English, reading, math, social studies, science). Alpha grades are given for the following electives in grade 5-8 (P.E., Spanish, music, and computer, except first year Spanish students)

A = 100-94

B = 93-86

C = 85-76

D = 75-70

F = Below 70

(a + or – may appear after an Alpha grade indicating upper or lower range of the grading scale)

The following ratings are used for P.E., Spanish, music, and computer grades 1st – 4th. First year students in Spanish will also receive this rating scale

E = Excellent

G = Good

S = Satisfactory

N = Needs Improvement

U = Unsatisfactory

Inc. = Incomplete

PK 3, PK 4, and Kindergarten have their own report cards. Student skill development will be marked.

Students conduct grades will be:

E = Excellent

S = Satisfactory

U = Unsatisfactory

G = Good

N = Needs Improvement

Report Cards and Progress Reports Report cards are issued four times a year at the end of the nine week grading period. Progress reports are sent home at midpoint of each grading period.

Report cards, records and RenWeb access are withheld when financial responsibilities to the school have not been met. These include tuition, extended day payments, lunch charges, library fines, or payments for lost or damaged books.

A parent/teacher conference is required for a student earning anything 70 or lower on a quarter report card or progress report. No student with a grade of 70 or lower may be admitted to class after 3 school days following a report card or progress report until a conference has been scheduled.

Promotion and Retention

Diocesan Policy #5240

Promotion of a student in elementary school will be based on the satisfactory completion of the present grade curriculum and the ability to do the next grade's work.

K – 1 A student must have at least a satisfactory final average in reading and mathematics in order to advance to the next grade level. Promotion is made on the ability to do the next grade level's work.

2 – 5 A student must have at least a "70" in religion, language arts, and mathematics, and an overall "70" average.

6 – 8 A student must have a "70" in all core subjects – religion, English and/or reading/literature, mathematics, science, and social studies. A student who fails a major subject is not promoted. For each major subject below "70" a student must make up the work in summer school. If summer school is not available, work will be assigned and the student will be tested prior to advancement to the next grade level.

Students in the elementary grades should not be retained more than once while enrolled in the diocesan school system.

If all avenues have been explored and the school cannot meet the needs of the student or the parent(s) have not acted on the school's recommendations regarding diagnostic evaluation, or recommendations regarding academic growth, the principal has the right to request withdrawal of the child (if currently enrolled) or refuse admittance.

Standardized Testing Standardized testing is one of several means of assessing pupil performance. The standardized test used in the Diocese of Fort Worth is the Iowa Test of Basic Skills. The Iowa Test of Basic Skills is administered each fall during the designated week published on the yearly school calendar. Students, first through eighth grade, are tested.

The Otis-Lennon Mental Ability Test is given yearly to students in grades 4 and 7.

Each student's results are given to the parents. Testing results are recorded on the permanent record card.

8th Grade Promotion

Diocesan Policy #5270

Promotion from 8th grade may be marked by a modest exercise which gives recognition to the unique value of the phase of Christian education just completed. Schools should avoid elaborate ceremonies which would overestimate the educational accomplishment, social events which are inappropriate for the level of maturity of the students, or other arrangements which would entail undue expense for parents or involve overnight travel.

St. Rita Catholic School 8th grade promotion activities are coordinated by the eighth grade homeroom teacher and the principal of St. Rita Catholic School. Eighth grade promotion activities include: a dinner, a class trip, Candle Mass, Graduation Mass, and a reception.

Attendance/Tardy Regulations

In compliance with the Texas Catholic Conference Education Department (TCCBED) and the State of Texas Family Code, schools of the Diocese of Fort Worth follow compulsory attendance laws. St. Rita Revised 08/2018

Catholic School publishes a school calendar prior to the beginning of each school year. Parents/guardians are expected to honor the calendar established by the school. Daily attendance is the only effective way to ensure continued academic progress. (In excess of 18 days absence during the school year for any reason may result in denial of credit for all or a portion of the school year and may require that a student repeat a grade or attend summer school. Diocesan policy states that excessive absences may be considered grounds for suspension or expulsion.)

Students must be in attendance at school for three and one-half hours to equal one-half day of school. Less than three and one-half hours counts as an absence. In order to participate in after school activities, a student must be at school at least one-half day.

Present: In school 5½ to 7¼ hours: arrive before 9:30 am; leave after 1:30 pm.

Half-Day Absent: In school 3½ to 5½ hours: arrive before 11:30; leave after 11:30 am.

(or absent more than 1½ hours during school day)

Absent: In school less than 3½ hours; arrive after 11:30 am; leave before 11:30 am.

School absence is categorized in the following manner:

Family Emergency – A death in the immediate family, serious or prolonged illness of the student or a member of the immediate family. Each case is handled on an individual basis.

Absence Due to Illness – A student unable to come to school due to illness of 5 or more consecutive days requires a doctor’s statement for readmission to class. Students who have been sick must be fever free for 24 hours before returning to school.

Absences for Other Reasons – When a student is absent from school for any reason other than doctor’s appointment, illness or family emergency, the student will not be permitted to make up the work that he/she missed. The school staff is not obligated to provide special services when a parent opts to schedule activities that warrant student absence on compulsory attendance days as indicated on the annual school calendar.

Family Trips – If a trip is required by a family, it will be at the principal’s discretion whether the absence will be excused or unexcused. The following procedure must be followed: Draft a letter to the principal 2 weeks in advance of the trip requesting absences from school. The letter must contain the date of the trip, reason for the trip, a request to all teachers for all assignments from all classes. All assignments, tests, projects will be due the day that the student returns to school.

Doctor/Dental Appointments – Arranging doctor and dental appointments during the school day is strongly discouraged. Please make a sincere effort to have all doctors’ appointments made after school. If this is impossible and a student must be dismissed early, a note is to be sent to the teacher. Parents must report to the school office to sign the check-out book before the student is released. Parents will need to sign a student back in at the school office before the child returns to class. Verification from the doctor or dentist is required upon return to school.

Note: It is the responsibility of the parent or guardian of each student to call the school by 9 A.M. to explain the absence of the student and to request class work. If the school office is not called, the student must bring a note explaining the absence on the first day the student returns to school.

Tardiness A student is tardy if he/she arrives after the 7:50 bell rings. A student who is late must report to the office accompanied by the parent or guardian. The parent is to sign in the tardy book and get a tardy pass for the student.

Habitual tardiness seriously affects a student's school performance and disrupts the class they are entering. Tardies are recorded for each grading period. If necessary, parents will be contacted to discuss habitual tardiness and students may be subject to dismissal from school.

Three unexcused tardies per nine weeks will equal one absence. If tardiness exceeds three per nine-week period, the parents will be contacted by the principal.

Communication

RITA Pack (RITA-Relevant Information To All) Each week on Thursday a parent pack will be e-mailed to parents via RenWeb. This "pack" will contain digital copies of all important school information. Please read all of the information, some will require feedback. If a form needs to be filled out and returned, please print a copy. The school will have some hard copies in the office. A copy of all documents included in the e-mail will be posted outside the front office each Thursday.

Conferences: Formal conferences will be held twice a year, after the first grading quarter for all students and after the third grading quarter for special concerns identified by teachers and for parents who wish a spring conference.

Informal conferences – discussions about your child's progress are welcome throughout the school year. However, teachers are not available to discuss issues during the regular school day without an appointment. Contact the school office to leave a message for the teacher, send an email to the teacher, or send a note with your child. The teacher will contact you as soon as possible.

Parental and Student Rights St. Rita Catholic School shall respect parental and students' rights to information and to confidentiality. The school shall:

1. provide parents and students access to records directly related to the students (e.g. duplicate report card, permanent record card, health records)
2. obtain written consent of parents before releasing personally identifiable information from student's records

Parent Contacts to School If a parent wishes to speak with teacher/staff or principal, the parent must send a written note to the school office, make a personal phone call, or send an e-mail message. Keeping open communication is a priority. All faculty/staff are to return phone calls and e-mail messages within 24 hours of a school day.

Parent Concerns All parent questions and concerns regarding class, grades, projects, conduct, class procedures, etc. should be directed to the teacher. If the parent brings the concern to the principal, the principal will immediately refer the issue to the teacher or staff member for positive resolve. If a resolve is not possible, the principal will schedule a meeting with the parent and teacher. Complaints should be handled at the lowest possible level. Direct concerns to the teacher first.

Non-Custodial Parent Parental rights extend to either parent unless the school has been provided with evidence that there is a court order, statute, or legally binding document relating to matters such as divorce, separation, or custody that specifically revokes these rights. A copy of such document must be in the school file. In case of joint custody both parents should be equally informed of their child's progress. It is the parents' responsibility to inform the school if special accommodations need to be made.

Discipline Regulations

St. Rita Catholic School's ultimate goal in discipline is to help its students become self-disciplined. This can be observed in students whose behavior is consistent with good moral principles and Christian values. We strive for a positive, non-disruptive environment in which all persons, their rights and their belongings are respected. An important key for building responsibility in children is allowing them to experience logical and natural consequences. It is of utmost importance that discipline builds each student's positive self-esteem.

St. Rita Catholic School has high expectations of appropriate behavior for its students. We believe that discipline can be taught, therefore, we will concentrate on teaching students' appropriate behaviors and social skills.

Discipline is the responsibility of every student, parent, and educator, since it is both a cooperative and an individual effort. The ideal for which we strive is that discipline is best achieved through love and good example. However, when disciplinary actions are necessary, they will be carried out in a firm, fair, caring and consistent format. A parent-teacher conference is required for students having repeat discipline referrals. If all avenues have been explored and students cannot follow the rules and guidelines of St. Rita Catholic School, the principal has the right to request withdrawal of the child or refuse re-admittance.

Within each teacher's classroom, there is a discipline plan in place. Each teacher will communicate her discipline plan to parents and students.

The decision of the Superintendent of Schools is final and is not subject to other appeal processes or conciliation and arbitration procedures.

If a student is expelled, his/her records shall reflect that the student has either withdrawn or transferred. Educational Support Program (ESP)

The Educational Support Program is an integral part of the operation of our school. All families must participate. Each family is required to provide 30 hours of volunteer service to the school or pay \$15 per hour. If a family chooses to pay the \$15, that is a total of \$450 per year. If a family falls short of 30 hours, they will be billed for the remaining hours. (Ten hours of the 30 must include assisting with fund raising activities.) By contributing time and resources to the educational process, parents provide valuable role models of service and dedication to children, and a sense of belonging to the caring St. Rita School community is established.

Please use the correct process for recording your hours. Parents are to log their service hours in ParentsWeb. Families should complete 15 hours by the end of the fall semester. A statement of missing hours will be issued at that time. All 30 hours with a minimum of 10 hours spent on fundraising activities must be logged in ParentsWeb no later than April 30 of the school year. Families will be charged \$15/hour for any hours not completed. (Service hours completed in May, June and July will be credited to the next school year.) If a family fails to complete 30 hours of service and fails to pay the remaining balance as noted on the May statement, the child(ren) will be viewed as not registered for the next school year. If a student is leaving the school, the student's records will not be transferred to the new school. Until the final balance is paid, students will not receive final grades, report cards, school records, etc. from the administrative offices. **Completing service hours is a requirement for financial aid.**

Please note: Service hours may be credited by parents, relatives, and children grades 9 – 12 or college age. St. Rita students may NOT fulfill educational support hours as they are expected to perform community service as a religious curriculum requirement.

Extra-Curricular Activities

St. Rita Catholic School strives to offer a wide range of extracurricular activities to enhance the curriculum, the social and physical development of each child. These activities may vary from year to year depending on many factors such as student interest, parent volunteers, number of students able to participate, etc.

Fine Arts: Band
 School Musicals
 Art

Academic Competitions: 1st-3rd grade Spelling Bee
 4th- 8th grade Spelling Bee
 PSIA Academic Competitions

Sports

Students in grades 6, 7, and 8 may participate in the Catholic School Interscholastic Sports Program. Fifth graders may play on a 6th grade team in volleyball and/or basketball, if 6th grade doesn't have enough to make a team. Sixth graders may not be moved up to 7th to make room on the team for 5th graders. The program includes soccer, basketball, baseball, softball, volleyball, and track. All necessary forms (4) must be completed and turned in to the school before a student is eligible to attend practice. All forms must be on file by the deadline date given on the school calendar for each sport in order to participate in that sport. **All students must have a complete physical (Diocesan Health Report) each year before participating in sports program.** St. Rita School sports program depends on student interest and volunteer coaches. If either of these are absent for a sport, St. Rita School will not offer it that year.

Accident coverage is offered to all students who participate in the sports program. Participation in the insurance program is at the parents' discretion but highly recommended by the school.

We welcome and encourage parents and siblings to attend athletic events. Diocese policy requires all spectators (adults and children) to remain in the gym during all basketball and volleyball games. Children are to be supervised by parents at all times. Parents are not to confront referees/coaches at any time. As the primary educator, parents are expected to demonstrate good sportsman-like behavior.

Volunteer Coaches All volunteer coaches must work with at least one other volunteer coach at all times. **All volunteers, including volunteer coaches, must complete a Diocesan volunteer form and will be required to complete a Criminal Records Review and Keeping Children Safe.**

If parents are late picking up their child(ren) three times, the student will have to sit out the following game. The coaches need to be able to leave when the practice is over. They have families and jobs which require their time. Please respect their time.

Sports Eligibility If an athlete is absent or has not been in attendance for one-half day (3.5 hours) of school, he/she is not permitted to participate in practice or games that day.

Academics are a PRIORITY at St. Rita Catholic School. Students must maintain passing grades in all required subjects to participate and practice in the sports program.

A St. Rita student who has a grade below a 70 or a "U" in conduct on his/her progress report or report card will not be eligible to play sports for the following two weeks.

Sports eligibility will be determined at each progress report and end of each quarter. Progress reports will be distributed and the following school day ineligibility will begin. A student will remain ineligible to participate in practice or play in games until ineligibility has been removed. Ineligibility may be removed for a student who improves his/her grades and has earned passing status in all classes after 10 school days (10 days from the date of ineligibility). A student may also become ineligible for unsportsmanlike conduct. Only the athletic directors or principal may impose sports eligibility and sports ineligibility.

Note: The principal may declare a player ineligible for serious disciplinary reasons which include constant disruption of class. Disruption of class can be verified by the number of times a student is sent to the office.

Restricted Physical Activity – If for any reason a student is not able to participate in physical education class or recess more than 2 or 3 days please send a doctor's note to the homeroom teacher. The note must explain the situation, the physical activities restricted, and the approximate duration your child will not be able to participate in these activities.

Sports Reception—An annual Sports Reception is held to recognize athletic achievement.

Extended Day Program

Before school students may be dropped off at 7:30. Teachers and staff will be on duty in the gym or back courtyard of the school. They will provide the necessary care needed until 7:45 when the first bell rings. If a child is dropped off at 7:45, he/she has until 7:50 to get to his/her classroom. Children arriving after 7:50 are tardy to school.

We have added a morning Extended Care program for students that must be dropped off prior to 7:30 a.m. due to a parent's work schedule. Families must enroll in this service. The fee is \$25 per month for each child dropped off between 7:15 and 7:30 a.m. This amount will be billed to the family FACTS account.

Students enrolled at St. Rita Catholic School are eligible for our Extended Care Program. This program is available for students in PK 3 – 8th grade. Extended Care is provided for use by parents whose working hours do not permit them to pick-up their children at dismissal time. This program begins at 3:30 on regular school days and 12:15 on early dismissal days. It ends at 6:00. Drop-ins are welcome based on space available, with 24 hours' notice.

Since teachers and staff are not available after 3:30, which is when their school day ends, children still at school at that time will be taken to Extended Care. The families will be billed for this service.

Tuition for Extended Care will be included in your monthly statement. Fees can be obtained from the business office. Drop-ins are charged \$9.00 per day for the first child and \$7.00 for additional children. If drop-ins are picked up by 4:15 on a regular school day or by 2:15 on an early dismissal day, families will be charged ½ the stated price. There is a \$25 late fee for paying after the 10th of each month. In addition, if the account has an unpaid balance on the 25th of the month, an additional late fee of \$25.00 will be assessed on the 26th of each month.

Rules and Regulations: Extended Care is an extension of St. Rita School and adheres to the same procedures and regulations:

1. Discipline
2. Behavior Expectations
3. Dress Code

If a student enrolled in Extended Care is present at school, we assume he/she will be attending Extended Care that afternoon. Please notify Mrs. Hernandez or the office beforehand if your child will not be attending Extended Care.

Facilities Used: PK 3, Kindergarten, courtyard, blacktop, and gym

Activities: Snacks, study time, free play, games, etc.

Students attending Extended Care on early dismissal days need to bring a lunch from home. Extended care is offered on all early dismissal days except the first and last day of the fall semester and the last day of school.

Pick-up Policy: Parents should ring the doorbell at the side entrance (by Pre-K3) to pick up their children. No adult other than those listed on the Extended Care form will be allowed to pick up your child from the program. If there is a change in the person picking up your child, the office must be notified before 3:00. We request in writing any information concerning alternative pick up arrangements. Any adult picking up a child, other than parents, will be asked to show a Texas Driver's license. Parents or person picking up your child are required to "sign-out" your child and record the time they were picked up each day.

Students not picked up by 6 P.M. will be charged \$1.00 per every minute beginning at 6:01 P.M.

If a child is not picked up at closing and we have not received word from the parent, the following steps will be taken:

1. The staff will try to contact the parent.
2. The staff will try to contact the adults on the emergency form authorized to pick up the child immediately.
3. The authorities will be notified if child is not picked up.

Any enrolled Extended Care student who attends sports practice, guitar lessons, etc. may be brought to Extended care provided a note is on file stating the day(s) and time of the activity and its dismissal.

Financial Policies

Tuition A schedule of tuition and fees can be obtained from the business office. Yearly tuition and fees are set in February of each year. There is a yearly registration fee, which is non-refundable.

St. Rita tuition can be paid in twelve monthly installments starting in June and ending in May. The first month of tuition is non-refundable. There is also the option of paying annually, quarterly, or semi-annually. All families are required to enroll in the FACTS tuition management program to have their tuition drafted from their bank account or charged to a credit card. Tuition is the only charge that can be paid through your FACTS account. Other charges (extended care, lunch, etc.) will be billed through the school business office and must be paid directly to the school. They are due on the first of the month and if they are not paid by the 10th, a \$25 late fee will be charged. In addition, if the account has an unpaid balance on the 25th of the month, an additional late fee of \$25.00 will be assessed on the 26th of each month. A child may be suspended if delinquency occurs for two consecutive months.

Families with payments delinquent through December may not be readmitted in January. Families with payments delinquent through April will not be readmitted for the next school year, unless prior written arrangements are made with the school principal. Students' transcripts, report cards, and diplomas will be held until the balances of all fees are paid. Families unable to meet payment due dates must draft a letter to the principal outlining the payment plan with dates and dollar amounts for principal's approval. All payments after May 10 must be made by cash, cashier's check or money order.

A delinquent account will be turned over to the collection agency when:

1. The school tuition account and all outstanding fees are over 60 calendar days delinquent,
2. The child (or children) is no longer in school, and
3. No payment has been received for 30 calendar days since the child departed school.

Returned Checks: There will be a \$25.00 fee collected for a returned check. If a family has accumulated two returned checks, they will be required to pay all future financial transactions in cash, cashier's check or money order.

Tuition Assistance: A tuition assistance program is available for families on the basis of need. Families in this program are required to complete a financial aid application and supply the necessary information for consideration. All financial information is held in strictest confidence. Below are additional requirements for receiving financial aid.

1. The amount of your tuition assistance is confidential. Discussing it with anyone – even family members – will put you at risk of losing financial aid.
2. The amount you receive for any year is not guaranteed for the following year.
3. Volunteer hours are not optional.
4. Providing a Catholic education for our students requires a sacrifice on the part of families. Our parents should prayerfully consider their financial priorities when applying for financial aid.

Health

Forms: A health form complete with Immunization record showing dates and kinds of immunization received must be on file for each student. All students must meet all State and Diocese required immunizations before starting or entering St. Rita Catholic School.

All families will fill out an Emergency Card at the start of each school year. All phone numbers and emergency contacts must be kept up to date. Whether a child is not feeling well or a serious accident occurs, parents or authorized persons must be able to be reached at all times. Please inform the school office of any changes in this information throughout the school year.

Immunization Policy

Every student enrolled in a Catholic School in the State of Texas shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Texas Department of State Health Services. A student who fails to present the required evidence shall not be accepted for enrollment. The only exception to the foregoing requirement is a medical exemption signed by a licensed physician (M.D. or D.O.) authorized to practice in the State of Texas, including the physicians license number.

Immunizations are not in conflict with the Catholic faith. Conscientious objections or waivers, which may be permissible for attendance in public schools, do not qualify as an exemption in Catholic Schools in Texas. (Atty. Gen. Op. GA-0420)

This policy was adopted by Texas Catholic Conference Education Department, December 2008 and voted on April 3, 2017 to keep as written with no changes by the Bishops of Texas.

Communicable Disease Control Measures: If your child has any type of infectious disease or rash notify the school immediately. After such disease, parents must take the child to the school office before re-entering the classroom. Students will need a permit from their physician for re-admission to school. (Examples: measles, pink eye, lice, ring worm, hepatitis, mononucleosis, etc.)

Medications: Your child may have an illness which requires medication for relief or cure that does not prevent his/her attendance at school. When possible such medication should be taken at home. However, according to Texas State Legislature a medication may be dispensed to a student by school personnel if the following requirements are met by the parent or legal guardian requesting this service.

- Parents are encouraged to schedule the administration of student medicine in such a manner that medication brought to school will be kept to a minimum. (For example, the physician may be able to prescribe the medication before school, after school, and at bedtime.)
- Medication (Prescription and Non-Prescription) may be administered to students only upon written request by the parent/guardian and physician. A “Permission to Administer Medicine” form must be completed, with the parent/guardian signature and physician signature, and on file in the school clinic BEFORE medication can be administered. Please ensure that time and dosage is specific. You may request a form from the school office.
- All medication, prescription and non-prescription, must be in its original container and be properly labeled in English. A properly labeled prescription is one with a pharmacy label stating the student’s name, the name of the medication and date prescription was filled. Non-prescription medication must be in original container indicating directions for use and labeled with student’s name. Medications sent in baggies or unlabeled containers will not be given.
- It is the responsibility of the student to report to the clinic to take his/her medication.
- At the end of the school year, all medication must be picked up from the clinic or it will be destroyed.
- Experimental medication/dosages will not be given. Herbal medication, dietary supplements, and other nutritional aids not approved as medications by the FDA, will not be administered at school.
- Antibiotics will not be given at school by school personnel. If the parent feels the antibiotic must be given during the school day, the parent may come to the school office and administer it.
- Only the school nurse and/or parent perform nebulizer treatments in school. Non-medical school personnel are not permitted to administer this treatment.
- Diocesan policy will be followed regarding administering medications or treatments necessary for medical reasons. **Students are not permitted to keep any medication or drugs in their pockets, locker, backpack, or lunch kit. All medications must be kept in the school office.**

In the event of visiting a physician without a school form handy, the physician may write and sign instructions. This may be attached to the school form that is completed and signed by the parents.

Corrective Lenses: In order to better serve all children, we ask that parents notify the school office and teachers about the need of corrective lenses.

Allergies: If a child has an allergy, please write a note to the teacher and the school office regarding the allergy.

Students may not access “chat” sites unless directed to do so by classroom teacher.
Students are expected to use E-mail only under the direction of the computer teacher.

Computer Technology Acceptable Use Procedure:

Please drop all lunches in the front office before 10:00 a.m. so the child can pick it up in the office before going to the gym for lunch.

Library

The St. Rita School Library is completely automated and is equipped with 4 technology research stations.

St. Rita Catholic School maintains a holding of over 6,000 books in the library which is coordinated by a library manager. The reference section is continually updated and includes encyclopedias, dictionaries, periodicals, almanacs, educational series, etc. These materials may be used only in the library unless permission is granted otherwise. Some reference material and library books are kept in the classroom for everyday use. A collection of film strips, records and video tapes is available for all classes. The Accelerated Reading Program is an integral part of the Library Media Program.

Each class visits the library every week. Students are allowed to check out a specified number of books. Parents are urged to encourage reading, research, and proper care of borrowed materials. Students will pay fines on overdue books, 5 cents per weekday. If a student is absent there is no fine, but the book must be returned the day the child returns to school. Students will be expected to reimburse the school for the cost of damaged or lost books. Additional books cannot be checked out and report cards will be held until all fines are paid.

Our library holds two book fairs per year. These are exciting events for the students and we welcome your participation.

St. Rita School holds a Summer Reading Program. The library is open one day a week from 3 P.M. until 8 P.M. Students can check out books and take AR tests.

Students are encouraged to become “STAR” readers. After earning a specified number of AR points, students’ pictures are posted in the hall. “STAR” students will participate in an end-of-the year celebration. They will receive special treats throughout the day and have the opportunity to win door prizes.

- To organize volunteers for all Home and School standing committees, other volunteer programs, and all Home and School fund raisers

Volunteers: Our volunteer program welcomes all parents and friends of the school to get involved in activities both in and out of the classroom. Volunteers not only enhance your child’s education, but also make you a part of it. The faculty and staff are greatly appreciative of the support of our volunteers’ contributions. All volunteers are required to attend a “Safe Environment Training” course offered throughout the Diocese of Fort Worth. Parents have an opportunity to sign up for various volunteer positions at the beginning of the school year. The Home and School Volunteer Coordinator works with the school staff to coordinate the entire volunteer effort.

School Uniform and Dress Code

Uniforms at Saint Rita Catholic School contribute to our sense of community and belonging. Students should understand that their appearance affects not only how they are perceived by others, but also the pride they have in themselves. Whenever they are in uniform, students represent themselves, their family and the Saint Rita Community. Students who abide by and adhere to the intent of the uniform policy learn that following the rules and showing respect for your community are important values. All students must follow the uniform policy.

Spirit Dress

Most Thursdays are Spirit Dress Days. Students may wear any St. Rita affiliated T-shirt or sweatshirt (i.e. spirit shirts purchased through the school office, class/house shirts, International Fair, parish, youth group etc.) All shirts must fit properly, be in good repair and not faded. Students must wear uniform shorts, pants or skirt, and shirts must be tucked in at all times.

Buck-a-Jean Dress

Buck-a-Jean days are held occasionally as a fund-raising tool for special events or organizations. Students may wear jeans and a spirit shirt (see Spirit Dress above). Shirts must be tucked in at all times, and belts must be worn with the jeans.

Students are expected to follow St. Rita School's Uniform Policy and Dress Code. If there is a question concerning the acceptability of an item of clothing or whether it reflects the intent of the dress code, it must not be worn. The administration reserves the right to send home any student who is dressed improperly. In all cases the interpretation remains with the administration.

St. Rita School has a supply of second-hand uniforms for sale. Families are encouraged to donate their uniforms in good condition to the uniform closet.

General Information

Articles Forgotten at Home: We ask that you do not bring students forgotten items from home. An important part of building responsibility in children is allowing them to experience logical and natural consequences. Students will not be allowed telephone use to call for forgotten items. Your cooperation in this matter is appreciated.

Appeals Process: Although the Diocese endeavors to establish a harmonious Christian atmosphere within its schools, it recognizes that misunderstandings or differences of opinion sometimes occur. Ideally, such matters can be resolved by a parent or guardian meeting with the immediate authoritative person to discuss the matter. If, however, the matter is not then settled to the parent or guardian's satisfaction, the parent or guardian may institute a formal grievance. A formal grievance must be in writing and must be received (5) working days following the occurrence of the event on which the grievance is based. Please contact the principal for a copy of the Diocese's current appeals process/grievance procedure for further details. Also, please note that the current policy supersedes and replaces all previous policies and statements regarding institution and processing of formal grievances with Diocesan schools.

Change of Address/Emergency Card Information: Please contact the school office, preferably in writing, as soon as your family has any address or phone number changes. All Emergency Card information must be kept up to date. Whether a child is not feeling well or a serious accident occurs, parents or authorized persons must be able to be contacted at all times. If you update your information on RenWeb, this does not update the information on your child's Emergency Card; you must still let the office know of any changes.

Early Dismissal: Periodically early dismissal days will be scheduled to allow for teacher in-service training, staff development, and faith formation. Please consult your yearly/monthly calendar for those dates. No lunch will be provided on early dismissal days. On noon dismissal days (early dismissal) extended care will be available from 12:15 until 6 P.M. To help us serve children, we ask that all parents please call at least 24 hours in advance for extended care on early dismissal days. Students staying for extended care must bring a sack lunch.

Emergency School Closing: In case of inclement weather, such as flooding, storms, or icy streets, St. Rita School will post information regarding closing of school or delayed opening on radio station WBAP 820AM and television station KXAS – TV (Channel 5).

Field Trips: Field trips serve the instructional program by utilizing educational resources of the community to supplement classroom work. Parents must sign a field trip permission form allowing their child to participate. Students must return this form; no other form will be accepted. No phone permissions are allowed. No exceptions will be made! If a parent does not want his/her child to participate, the school must be notified in writing. Students not participating in the field trip will be expected to attend school that day and participate in an alternative activity.

- Field trips are privileges and students can be denied participation if they fail to meet academic or behavioral requirements.
- Full dress uniform, including red sweater, must be worn to school for the student to participate in a field trip.
- Any parent driving for school field trips is required to attend Keeping Children Safe.
- To ensure the safety of our students, field trip drivers/chaperones must not bring younger children on the field trip.

The Diocese has guidelines for adults driving on field trips which may change at the discretion of the Diocese or the Administration.

for any lost or stolen property. Any unclaimed items will be donated to Eastside Ministries at the end of each school year.

Parent Visits: Due to reasons of safety for our children and staff, parents/visitors are not to go directly to a classroom to speak with a teacher or child during the school day or during dismissal. All parents and visitors are to report to the school office. If a student is leaving early, the parent is to sign the student check-out book in the school office.

Party Policy: St. Rita Catholic School classrooms are allowed two parties each year. Classroom coordinators can work with the teacher to determine dates and times.

Use of Student Information/Pictures: The school reserves the right to use student pictures in publications and on the school's web site. Any parent who does not wish his/her child's picture used must notify the principal in writing by the second week of each school year.
